

Apollo Scope of Work – Deep Clean

Note: Upon cleaning the vehicle, please check the condition of the Fly Screens, Sky Lights & Hatch, Fridge Seal/ Racks & Shelves, Curtains, Cushions and Mattresses for any repairs that are required. The Apollo VMO must be informed immediately to allow any repairs or maintenance to be completed as quickly as possible.

Chemical Use: To assist with the internal deep clean, *T2000* Degreaser should be used to agitate stains and marks including Upholstery stain removal. The external clean should be completed using *Bulldog Blue*.

Steam cleaning of hard surfaces should be done with an Industrial Steam Cleaner and appropriate attachments.
